TRAVEL INFORMATION:

LaGuardia Airport (LGA)
Hotel direction: 10.4 miles SW

From LGA, the best option is a taxi, from the taxi stand in front of each terminal. Uber is possible but the pick up is in the parking garage, not on the curb where the taxis are.

Newark Liberty International Airport (EWR)
Hotel direction: 14.8 miles E

The easiest way to get to the hotel is by train or bus. The Coach USA bus to the Port Authority Bus Terminal leaves from bus stops adjacent to each terminal. Buy the ticket in the Coach USA app or from the bus driver. At the bus terminal, go to the subway station, $2.90 paid with any contactless credit/debit card on the turnstile. Take a downtown A train to Jay St-Metrotech, which is less than a block from the hotel.

Or the Newark Airtrain connects to the NJ Transit train to New York Penn Station. Buy your ticket in the NJ Transit app or from the ticket machine in each terminal before getting on the Airtrain. (The new Terminal A is not yet on the Airtrain so you need to take a shuttle bus or walk through the parking garage to the P2 station.) At Penn Station go to the 7th Ave subway and take the downtown express 2/3 train to Borough Hall, $2.90 paid with any contactless credit or debit card on the turnstile. The Borough Hall station is a block from the hotel.

Taxis or Uber from Newark are slow and expensive because there is always heavy traffic on the bridges.

John F Kennedy International Airport (JFK)
Hotel direction: 19 miles NW

Take a taxi or the subway. For the subway, take the JFK Airtrain to the Haward Beach subway station. At the Howard Beach station, the Airtrain exit fare is $8.25, paid with a Metrocard which you buy from a machine at the exit. Then use either the same Metrocard or a contactless credit
or debit card to pay $2.90 to enter the subway station, and take any inbound A train to Jay St-Metrotech, which is less than a block from the hotel.

Visas

A citizen of a foreign country who wishes to enter the United States must first obtain a visa, either a nonimmigrant visa for temporary stay, or an immigrant visa for permanent residence. The visa allows a foreign citizen, to travel to the United States port-of entry and request permission of the U.S. immigration inspector to enter the U.S. The “visitor” visa is a nonimmigrant visa for persons desiring to enter the United States temporarily for business (B-1), for pleasure or medical treatment (B-2), or combination of both (B-1/B-2) purposes.

Please visit US State Department to determine if you need to obtain a visa: [http://travel.state.gov/visa/temp/types/types_1265.html](http://travel.state.gov/visa/temp/types/types_1265.html)
