DESTINATION INFORMATION:

Munich, Germany:

Munich's walkable center retains a small-town air but holds some world-class sights, especially art galleries and museums. Throw in royal Bavarian heritage, an entire suburb of Olympic legacy and a kitbag of dark tourism, and it's clear why southern Germany's metropolis is such a favorite among those who seek out the past but like to hit the town once they're done.

- **Marienplatz:** Marienplatz is in the city center of Munich and has been the city's main square since 1158. Sightseeing, shops, restaurants, cafes and beer halls are all in walking distance.

- **Glockenspiel:** Located in Marienplatz central square, this gothic clock tower showcases a performance of motorized figurines dance, joust, and twirl around the inside of the tower every day at 11 a.m., 12 p.m., and 5 p.m.
- **BMW Museum** - BMW Museum unites the past and present under one roof. Go on a journey through the brand's technological development including vintage cars, aircraft, motorcycles, turbines, engines as well as outlandish concept vehicles from the last two decades.
- **Neue Pinakothek:** From Goya to Picasso is the guiding motto for the Neue Pinakothek collection. In the mid-19th century, King Ludwig I founded the Neue Pinakothek as the first public museum in Europe exclusively dedicated to contemporary art and it remains one of the most important museums of 19th century art in the world.
- **Nymphenburg Palace:** With its unique combination of Baroque architecture and garden design, Nymphenburg is one of the best examples in Europe of a synthesis of the arts and was the summer home of many Bavarian rulers.
- **Deutsches Museum:** The Deutsches Museum is the world's largest museum of science and technology, with about 28,000 exhibited objects from 50 fields of science and technology.
- **Eisbach River Surfers:** Only a few blocks away from the Hilton Munich Park in the English Garden, you can watch surfers brave subzero water temperatures while riding a man-made wave.
- **Bavarian State Opera:** With performances almost every single day, this is the oldest opera company north of the Alps with history tracing back to 1653.
- **St. Peter's Church:** Munich's oldest church was first built at the end of the 1100s but destroyed by fire in 1347. The reconstruction was in the Gothic style and down the years there have been many extensions, leaving the St Peter's with Renaissance and Baroque elements.
- **Bavarian Beer Halls:** For traditional Bavarian fun and a chance to clink beers with new friends, nothing beats a good old-fashioned beer hall filled with with cheap food, noisy fun, and oompah music.
